FOR IMMEDIATE RELEASE

Release # 18 – 23

## Nominate the City of St. Cloud to Receive a \$20K Grant to Improve a Local Park

*Released by City of St. Cloud Public Information Office*

*St. Cloud, Fla. (March 29, 2018)*—For the fourth year in a row, the National Recreation and Park Association (NRPA) is collaborating with The Walt Disney Company to help fund local park improvement projects across the country through the national “Meet Me at the Park” Earth Month campaign. The city that receives the most nominations will receive a \$20,000 grant to improve a local park.

Local parks make St. Cloud a better place to live and shape so many of our lives. Parks are essential to our city’s health and wellbeing. They provide safe places to be active and enjoy nature—and they help preserve the environment and bring people together. That’s why from April 1 to April 30, St. Cloud residents will have the opportunity to nominate our city to receive \$20,000 in grant funding to continue to make improvements at the FitCore Fitness Obstacle Course at Godwin Park.

By visiting [NRPA.org/Disney](http://NRPA.org/Disney), park supporters can nominate St. Cloud. At the end of April, the city with the most nominations will receive the grant funding. Everyone who nominates a city will also be entered into a drawing for a GoPro Prize Pack.

This Earth Month, help St. Cloud show what parks mean to our community by nominating our great city. Encourage your friends to nominate St. Cloud by taking a selfie at the FitCore Fitness Obstacle Course at Godwin Park. Make sure to use the hashtags #MeetMeAtThePark, #Parkies and #CelebrateEarth.
